45 minutes Discussion items:

  o Further information to be released in August
- USICH SHOP Tool: Ehren to attend meeting to review document
  https://www.usich.gov/tools-for-action/supportive-housing-opportunities-planner-shop-tool
  o This is an item we can look at annually to set agenda, make sure we are prioritizing units/sub-populations, and identify needs
  o Mark and Eric to meet with Chris and Jacki to review this

Further items discussed:
- Shelby to scrub the PHA wait list to the CI wait list?
- Carole discussed having a landlord connection/forum as a way to increase units (similar to the presentation from the Peer to Peer conference)
- Per Eric: IFA has released its proposed Allocation Plan for the National Housing Trust Fund dollars for 2016. Iowa will receive $3M to create and sustain rental units for households that make less than 30% of area median income. There is a 30 day comment period before final adoption. Obviously, these dollars are an important resource for our population impacted by homelessness.
