***2017 New Projects

NOTE 1: Project "IHYC - Youth" (#2) was submitted as a renewal and an expansion in one application. The "2017 Funding" level has been reduced to the amount of the renewal (\$155,706) because the expansion should have been submitted as a separate new project application per the 2017 CoC Program Competition NOFA (Section II B4., p. 12 of 65)

NOTE 2: Project "PHC-CI" (#11) is ranked out of scoring order due to straddling between Tier1 and Tier 2. The project "PHC-Singles & Families", which scored ahead of it, could not operate on the remaining Tier 1 balance of \$22,6433 if the Tier 2 portion wasn't funded. Therefore, it was skipped over to the next highest ranked project, PHC_CI.
