a safe place to call home.

Reallocation of Renewal Project Funds

Reallocation of renewal project funds may occur in two ways:

- 1.) Voluntary Reallocation - Agencies operation existing renewal projects may voluntarily reduce a portion of the project's CoC funding or eliminate CoC funding of a project. Through a voluntary reallocation of renewal project funds, the agency may apply for new projects that have been designated as higher priority programs.
- 2.) Involuntary Reallocation – An involuntary reallocation will occur when a renewal project's application is rejected by the Polk County Continuum of Care's Grant Committee and affirmed by a majority vote of the board. A project may be rejected due to poor project or system performance as well as for failure to meet threshold for receiving all referrals from the continuum's centralized intake.

Use of Reallocated Funds:

The balance of funds from either voluntary or involuntary reallocation of funds must be used for new projects per guidelines listed in HUD's 2018 Continuum of Care Program NOFA:

- 1.) Rapid Rehousing (RRH) serving homeless individuals and families, including unaccompanied youth up to age 24.
- 2.) Permanent Supportive Housing (PSH)
 - a.) 100% of the beds are dedicated for adults, youth or families experiencing chronic homelessness.
 - b.) Dedicated PLUS projects as defined in Section III.C.3.f. of the 2018 NOFA.
- 3.) Joint TH and PH-RRH to serve homeless individuals and families, including individuals or families fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who meet the following criteria:
 - (a) residing in a place not meant for human habitation;
 - (b) residing in an emergency shelter;
 - (c) persons meeting the criteria of paragraph (4) of the definition of homeless, including persons fleeing or attempting to flee domestic violence situations;
 - (d) residing in a transitional housing project that is being eliminated; or
 - (e) residing in transitional housing funded by a Joint TH and PH-RRH component project (see Section III.C.3.m. of this NOFA); or
 - (f) receiving services through a VA-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.
